Do You Realize

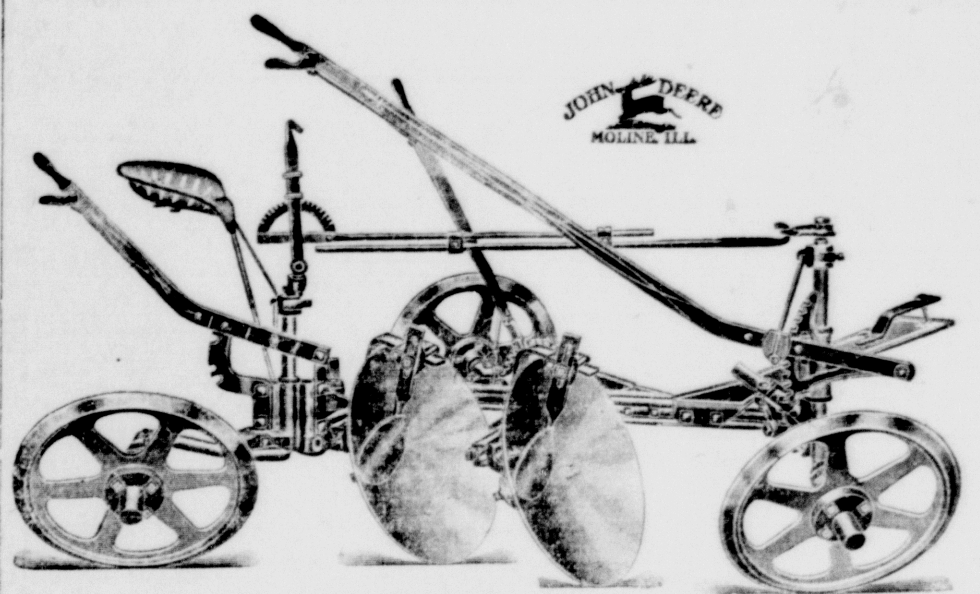

what it means to have the benefit of over a half-century's experience in the clothes you buy? Mighty few things can go wrong. Mighty few mistakes are made. Nothing is recklessly done—or said. In offering KIRSCHBAUM Clothes (Cherry Tree Brand), we fortify our own knowledge by that of a maker with an honorable record of more than fifty years in the business and a nationwide reputation. Today all clothesdom looks to A. B. Kirschbaum & Co. What they ordain in men's wear is authoritative. Occupying such a position—and with its half-century reputation to protect—this house cannot afford ever to use a fabric which contains a single thread of cotton; ever to skimp even the smallest detail in tailor-work; ever to put out a style that isn't absolutely right in every detail. No wonder we go to KIRSCHBAUM for our clothes for the most particular men of this town. We sell these splendid hand-tailored, all-wool clothes at \$15, \$18, \$20 and \$25 for both Suits and Overcoats. When you see the Kirschbaum label you'll see the identification mark of the best clothes made.

THE JOHN DEERE PLOW

The workmanship of the John Deere Plow is of the highest order. Many of their skilled workmen have been in their employ for ten, twenty and thirty years. They have gathered about them a force of plow experts such as cannot be found in any other plow factory in the world. The experience of seventy years of plow making has taught them the requirements of all classes and conditions of soil, and enables them to adapt their plows in shape and construction to every requirement. Deere & Co. are now making one-third of all the high-grade steel plows made in the United States, more than three times as many high-grade steel plows as made by any other factory and more than are made by any other five factories combined. Purchasers can take them with the full assurance that they will perform satisfactorily wherever it is possible to use a plow. We are sole agents in Hondo—see us.

Be Happy!

Happy the girl, or woman, who has never suffered from any of the diseases of womanhood! Or, if she has been a sufferer, happy is she if she has learned of the wonderful benefits of Cardui, the woman's tonic!

Cardui is a gentle, tonic remedy, for women's ailments. It is a natural medicine—safe, harmless, purely vegetable. It has been in successful use for more than 50 years. It has cured thousands. It should do the same for you.

TAKE CARDUI The Woman's Tonic

Mrs. Mary Neely, of Denver, Tenn., says, "I think there is no tonic on earth, as good as Cardui. I used it with the very best results. I had backache and nearly everything a woman could suffer with, until I took Cardui. Now, I feel better than I have for two years. I shall always recommend Cardui to other suffering women. I can't praise it too highly. As a medicine for weak, tired, worn-out women, Cardui is safe and reliable. Try it, today.

Fortune Telling

Does not take into consideration the one essential to woman's happiness—womanly health.

The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross.

Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.

This Prescription has, for over 40 years, been curing delicate, weak, pain-wracked women, by the hundreds of thousands and this too in the privacy of their homes without their having to submit to indelicate questionings and offensively repugnant examinations.

Sick women are invited to consult Dr. Pierce by letter free.

All correspondence held as sacredly confidential. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

Dr. Pierce's GREAT FAMILY DOCTOR BOOK, The People's Common Sense Medical Adviser, newly revised up-to-date edition—1000 pages, answers in Plain English hosts of delicate questions which every woman, single or married, ought to know about. Sent free, in plain wrapper to any address on receipt of 21 one-cent stamps to cover mailing only, or in cloth binding for 31 stamps.

The bans of Mr. Alex Halty and Miss Rosa Hoog were announced at the St. Louis church last Sunday.

Mr. and Mrs. Gotlob Weiblen and daughters, Misses Lina and Hulda visited kinfolks at Bader Settlement last Sunday.

Mr. C. L. Marty was a Lacoste business visitor Monday.

Mr. Sam Etter Jr. and family moved to the Mrs. M. A. Kauffmann residence Monday.

Mr. Wm. Brieden and family were Hondo visitors Tuesday.

Albert Reitzer of Morman Camp was down Wednesday with a load of porkers for which he found a ready market.

Mr. A. M. Christilles made a business and pleasure trip to Black Creek Wednesday.

Geo. Ashbacher, the Jovial Weiss Beer man of San Antonio, was a Castroville business visitor Wednesday.

A neat local appearing in the San Antonio Express stating that a grand barbecue was to be given and in conjunction a good roads meeting to be held at old Castroville on Friday and which local it seems (of course in good faith) the Devine News had clipped, a number of prominent devineites came up on that day ready to attend. We are indeed sorry those gentlemen were disappointed.

Hon. R. J. Noonan also stepped off at Lacoste, (while enroute from San Antonio to Hondo) and came to Castroville Friday for the purpose of attending the good roads meeting and participating in the grand barbecue.

Judge Peter Hoog united a Mexican couple in wedlock Saturday.

The first norther of the season made its appearance Saturday morning and cool weather is prevailing.

The barbecue given for the benefit of the Burrell School at Burrell's Grove on Sunday was largely attended by representatives from all parts of the County and very much enjoyed. Co. Judge Shook and four Commissioner's of Bexar Co. were present on invitation of the Castroville Business Men's Club. The main features of the day were horse racing, ball games and merry making in general. An abundance of fine barbecued meats and other good edibles and refreshments were on the grounds. A dance at night closed the event.

The infant son of Mr. and Mrs. Alfred Biry of Biry was christened at St. Louis church Sunday, with Mr. Albert Bendele (Grandpa) and Mrs. Jacob Biry (Grandma) as Sponsors.

Mrs. Ed. Poerner of D'Hanis, after a pleasant visit to relatives and friends in this vicinity returned to her home Saturday.

We are indeed glad to state that Mrs. H. J. Bippert of Riomedina who has been on the sicklist for the past few weeks is convalescing.

Mr. Otto Schmitt had a well dug on the Cottage Hotel premises and fortunately struck a good vein of water. Castroville, Oct. 9, 1911.

BRAN BATH IS SOOTHING

High Strung Nervous Woman Will Find Them Beneficial as Well as Cheap.

Besides softening and whitening the warm bran bath is soothing to nerves. These can be taken so easily and cheaply at home that the highly strung woman should experiment with them.

Get a peck of bran at a feed store. It is much cheaper than buying it in prepared bags or getting bran mixtures at a drug store.

Make a number of cheesecloth bags about 12 inches square. Leave a small opening at one corner to hold a funnel neck and fill with bran until the bag is half full.

Run a tub quarter full of hot water and put the bag in it several minutes before it is to be used. After soaking squeeze well until the water is brown and bubbling.

Do not stay too long in this bath and rest for 15 minutes afterward. In cases of extreme nervousness the rest is followed by a brisk rubbing with cocoa butter.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Keeping on the Safe Side.

An actor was recently asked to give a recipe for a successful play, and this was his reply: "There are two ways of having a successful play. One is to make money with it; the other is not to lose money. There is no sure recipe for the former. To absolutely insure the latter—don't produce the play."

More Than Enough is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by all dealers.

Gossip.

Gossip is a beast of prey that does not wait for the death of the creature it devours.—George Meredith.

Children that are pale, sickly and peevish, with dark rings under the eyes, fickle appetite, and who appear to get no nourishment from the food they eat are surely suffering from worms. Give them WHITE'S CREAM VERMIFUGE and note the wonderful improvement. They soon take on flesh and are rosy, active and cheerful. Price 25c per bottle. Sold by W. H. Windrow.

If all the foolish were to die the wise would all be overworked undertakers!

Gives Aid To Strikers.

Sometimes liver, kidneys and bowels seem to go on a strike and refuse to work right. Then you need those pleasant little strike-breakers—Dr. King's New Life Pills—to give them natural aid and gently compel proper action. Excellent health soon follows. Try them. 25c at W. H. Windrow's.

Study the life of the man you hate only through a mirror.

Chronic rheumatism contracts the muscles, distorts the joints and undermines the strength. A powerful penetrating and relieving remedy will be found in BALLARD'S SNOW LINIMENT. It restores strength and suppleness to the aching limbs. Price 25c, 50c and \$1.00 per bottle. Sold by W. H. Windrow.

A little oil on the wheel is as strength to the horse.

A good remedy for a bad cough is BALLARD'S HOREHOUND SYRUP. It heals the lungs and quiets irritation. Price 25c, 50c and \$1.00 per bottle. Sold by W. H. Windrow.

Be Happy!
 Happy the girl, or woman, who has never suffered from any of the diseases of womanhood! Or, if she has been a sufferer, happy is she if she has learned of the wonderful benefits of Cardui, the woman's tonic!
 Cardui is a gentle, tonic remedy, for women's ailments. It is a natural medicine—safe, harmless, purely vegetable. It has been in successful use for more than 50 years. It has cured thousands. It should do the same for you.
TAKE The CARDUI Woman's Tonic
 Mrs. Mary Neely, of Denver, Tenn., says, "I think there is no tonic on earth, as good as Cardui. I used it with the very best results. I had backache and nearly everything a woman could suffer with, until I took Cardui. Now, I feel better than I have for two years. I shall always recommend Cardui to other suffering women. I can't praise it too highly. As a medicine for weak, tired, worn-out women, Cardui is safe and reliable. Try it, today."

Fortune Telling
 Does not take into consideration the one essential to woman's happiness—womanly health.
 The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross.
 Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.
 This Prescription has, for over 40 years, been curing delicate, weak, pain-wracked women, by the hundreds of thousands and this too in the privacy of their homes without their having to submit to indelicate questionings and offensively repugnant examinations.
 Sick women are invited to consult Dr. Pierce, by letter free. All correspondence held as sacredly confidential. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.
 Dr. Pierce's GREAT FAMILY DOCTOR BOOK, The People's Common Sense Medical Adviser, newly revised up-to-date edition—1000 pages, answers in Plain English hosts of delicate questions which every woman, single or married, ought to know about.  A neat local appearing in the San Antonio Express stating that a grand barbecue was to be given and in conjunction a good roads meeting to be held at old Castroville on Friday and which local it seems (of course in good faith) the Devine News had clipped, a number of prominent devineites came up on that day ready to attend. BRAN BATH IS SOOTHING
 High Strung Nervous Woman Will Find Them Beneficial as Well as Cheap.
 Besides softening and whitening the warm bran bath is soothing to nerves. These can be taken so easily and cheaply at home that the highly strung woman should experiment with them.
 Get a peck of bran at a feed store. It is much cheaper than buying it in prepared bags or getting bran mixtures at a drug store.
 Make a number of cheesecloth bags about 12 inches square. Leave a small opening at one corner to hold a funnel neck and fill with bran until the bag is half full.
 Run a tub quarter full of hot water and put the bag in it several minutes before it is to be used. After soaking squeeze well until the water is brown and bubbling.
 Do not stay too long in this bath and rest for 15 minutes afterward. In cases of extreme nervousness the rest is followed by a brisk rubbing with cocoa butter.
\$100 Reward, \$100.
 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Farmers' Union.

The Medina County Farmers' Union met at Styles last Saturday and received a cordial welcome and royal hospitality at the hands of the local Union there.

The meeting was harmonious throughout. Owing to various causes the attendance was small, but the interest and enthusiasm were no less therefore. Besides the routine business of the order, steps were taken to organize a District Farmers' Union, centering at San Antonio, and H. W. Butts and H. R. Wernette were chosen to represent Medina county in the organization which is to be effected Oct. 10-11, in San Antonio.

The movement for clearing houses for each county was ably discussed by Joe Langfeld and the cotton and cotton seed situation was explained by H. W. Butts. No further action was taken on the former but as to the latter it was recommended to sell cotton more slowly in the future. While the Union did not take any action yet it seemed that every one present was in favor of a good roads movement in this county. The next meeting will be in Hondo on Nov. 11, 1911. REPORTER.

Hickman, to be used for improving the play grounds.

The Commissioner of Agriculture, E. R. Kone, has appointed Mr. Joe Langfeld of D'Hanis as a delegate to the Good Roads Convention to be held at Dallas, Oct. 26. It would seem advisable that the friends of good roads help Mr. Langfeld to defray expenses by small contributions of money in order to make sure that Medina county will be represented then and there. Contributed.

There was a special session of the Commissioners' Court, with all members, and the usual officers present, held here Thursday to consider road matters. The Medina River road in the region of the dam will be destroyed by the dam and the company will have to open a new road to take its place. Representatives of the company and owners of the lands to be traversed were before the court with several proposed routes. The Court took the entire matter under advisement and will view the proposed routes next Monday, meeting at Alois Haby's residence to start on the work.

P. S. Ward is a practical and a successful farmer, and he gives it as his experience that a half a teacup of coal oil or gasoline poured on the roots of such sprouts as usually infest the fields of this country will kill them. The process is simple. Just kick the sprout so as to loosen the dirt around it. Pour the oil around and leave it to its fate. The wetter the ground the better. Mr. Ward thinks that if the remedy is applied early enough the roots will become so decayed by plowing time that they can be plowed up like cotton stalks. He says he has tried this for the past two seasons and has been very successful with it. Others will do well to give this a trial.

While assisting Night Watchman Mechler in the effort to arrest a Mexican who was creating a disturbance Saturday night, Harry McDonough, a singer with the medicine show, fired three shots from a forty-five Colts revolver at the fleeing man, Juan Hernandez, the third shot taking effect in the thigh. McDonough was arrested, and although he claimed that he was firing in the air and that the man was wounded accidentally he plead guilty to aggravated assault and battery and was fined \$25.00 and costs, and was released from jail Monday. The bullet was removed from the Mexican by a surgeon Sunday morning, and although he was still suffering a great deal of pain Friday, it was thought that he was out of danger.

Timely advice given Mrs. C. Willoughby, of Marengo, Wis., (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. Plaintiff further alleges and claims that he has a good and perfect title to said land and premises under and by virtue of the Statute of Limitation of ten years, for the reason that plaintiff, and those under whom he claims, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same for more than ten years prior to the institution of this suit.

Plaintiff further alleges, that claims of the defendants to said land and premises, if any, is by virtue of the Patent to said land having been issued by the State of Texas, to the Heirs of Joice O'Donovan, said Patent being Number 61, Vol. 9, and dated July 6th, 1876.

Plaintiff brings this suit for the purpose of determining the estate and interest, if any, of each and all of the Heirs of the said Joice O'Donovan, Ellen O'Donovan, the defendants herein, in and to said land; and that Court may grant the title to said land and premises unto plaintiff free of any and all claim or claims or pre-empted claims of said defendants or any claiming under them so as to settle a decree of Court the title to said land and to remove all cloud therefrom.

Wherefore, plaintiff prays that the defendants, the names and places of residence of whom are unknown to plaintiff, be cited by publication as prescribed by the statutes of this State, and that upon a final hearing that Court have judgment and decree of Court, declaring and adjudicating title to the above described land and premises to be in plaintiff free of all and all claims in favor of said defendants or any of them, or of any claiming under them and for such and further relief, general or special, legal or equitable, to which plaintiff may be justly entitled.

HEREIN FAIL NOT. And have before said Court, on the said first day of the next term thereof, this with your endorsement thereon, showing how you have executed the same. Given under my hand and seal of said Court, at office in Hondo, Texas, this, the Sixth day of September, 1911. Issued same day.

QUEER BRUSHES AND COMBS
 Different Methods Employed by Various Animals in Making Their Toilet.

The cat carries her clothes brush in her mouth, for with her rough tongue she cleans her glossy coat as a boy brushes off his clothes. She licks one of her front paws and rubs it over her face, and she is ready for her breakfast.

Foxes, dogs and wolves do not use their mouths when they need to wash and brush, but scratch themselves vigorously with their hind paws and are as fresh as ever.

The cow, with her long, rough tongue, combs her coat of hair until it is clean and curly. The horse, more than any other animal, depends on his owner to keep his coat in proper condition, but often he will roll on the green grass or rub himself against a tree or fence.

Field mice comb their hair with their hind legs, and the fur seal in a similar manner spends as much time as a woman in making herself look smart.

Although the elephant appears to be thick skinned and callous, he takes great care of his skin. He often gives himself a shower bath by drawing water into his long trunk and blowing it on the different parts of his body. After the bath he sometimes rolls himself in a toilet preparation of dust to keep off the flies.—Our Dumb Animals.

Is the World Growing Better?
 Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers, everywhere, to take them. "For years I suffered with stomach and kidney trouble," she writes. "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully." They'll help any woman. They're the best tonic and finest liver and kidney remedy that's made. Try them. You'll see. 50c at W. H. Windrow's.

Misapplied Diminutive.
 The late Bishop William N. McKelkar of Rhode Island, harbored a large soul in a body to match. He was a bachelor, whose sister kept house for him.

On one occasion he telephoned to his tailor that he wished to have a pair of trousers pressed, and the tailor sent a boy to his residence to get them.

The bishop's sister admitted the messenger and called upstairs, "While, the boy has come for your trousers!"

When the brother appeared the youth's astonished gaze traversed the prelate's impressive "corporeality"; then he murmured: "Gee! Is that Willie?"—Youth's Companion.

James C. Dahman, "Cowboy" Mayor of Omaha, "Throws the Lariat"
 Major Jas. C. Dahman is of an interesting and impressive personality. Starting his career as a cowboy, he is at present Mayor of Omaha, and has the following record to his credit: Sheriff of Dawes Co., Neb., three terms; Mayor of Chadron, two terms; Democratic Nat'l Committeeman, eight years; Mayor of Omaha, six years, and in 1910 Candidate for Governor of Nebraska. Writing to Foley & Co., Chicago, he says: "I have taken Foley Kidney Pills and they have given me a great deal of relief so I cheerfully recommend them." Yours truly, (signed) JAMES C. DAHMAN. Helpful Hints on Hair Health
 Scalp and Hair Troubles Generally Caused by Carelessness

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat. Many a hat-band is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will complete relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that we think that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in Hondo only at our store—The Rexall Store, Willmann & Martin.

At a telephone meeting and under certain circumstances, Chas. Senne, Ehm Saathoff, Fritz Saathoff and Mrs. Anna Saathoff were admitted as shareholders of the Hartmann Telephone line. Work has already begun on their tap lines and when completed will give that line twelve boxes.

The norther that blew up last Saturday morning convinced us that the dog days are at an end, and the approaching winter has already been made felt.

Our merchant, C. J. Oefinger is this week a business visitor in Yancey.

Bill Kothe of Frio was the guest of C. J. Oefinger and Louis Decker for a few days of last week.

John Muennink Jr. went to San Antonio on the first and where he last week entered the Draughton's Practical Business College where he will be studying the ensuing session. Here's wishing the young man success.

Rev. Gus. Muennink, pastor of the Southern Methodist church of San Antonio, is here on a mission in the interest of that church.

The quarterly conference of the Methodist Church was in session here the latter part of last week, with Revs. Hy. Jordan, Gus. Muennink and Presiding Elder Hensch in attendance.

F. H. Bohlen and his father took advantage of the low rate Saturday and went to see the world's greatest circus in San Antonio.

Mr. and Mrs. John Moehring and daughter, Josie, of the Lower Hondo were here on a visit Sunday.

Hondo has again claimed one of New Fountain's belles, since Miss Emma Bohmfalk is making that place her home.

Mr. and Mrs. Otto Mumme, Miss Isabella Brucks and Messrs. Hugo, Alvin and Robert Mumme were among those who went to San Antonio Saturday and swelled the throng that went to see the Ringling Bros. show.

The graded school is progressing finely. Dr. Roller says he has never secured better work and finer discipline during his three years stay in D'Hanis.

Quite a number of our people attended the Ringling Bros. show on Saturday. They reported the biggest thing ever seen under canvass.

Mr. Louis Johnson of Lytle is visiting his father, Mr. V. A. Johnson, at the ranch.

Dr. and Mrs. Roller spent last Tuesday evening with Mr. and Mrs. Jaack Reily, enjoying a social game of whist. It was Mr. Richard's birthday, and ice cream and cake were the order of the evening. Richard says he will never go off on another birthday and leave his refreshments in the hands of Dr. and Mrs. Roller. When Dr. Roller was interviewed on the subject, he said he was sorry indeed that the ice cream had vanished before Richard's return but he sincerely wished him many happy anniversaries and hoped he would be present at all.
